

I BELIEVE THAT CELL PHONE USAGE INFLIGHT WOULD BE ANNOYING TO OTHER PASSENGERS AS WELL AS A SAFETY ISSUE WITH HEARING FLIGHT CREW SAFETY INSTRUCTIONS. NO ONE WANTS TO LISTEN TO SOMEONE ELSE'S CONVERSATION GOING ON AND ON, ESPECIALLY WHEN TRYING TO GET SOME SLEEP. I FEEL IT WOULD BE INCONSIDERATE OF FELLOW PASSENGERS TO SUBJECT THEM TO SEVERAL CONVERSATIONS GOING ON AT ONCE, LET ALONE THE ONE BESIDE THEM. PASSENGERS ARE STUCK IN A SEAT ASSIGNMENT, UNABLE TO LEAVE THE AIRCRAFT WHEN THE CHATTER BECOMES TOO ANNOYING. PLEASE DO NOT LET THIS NEEDLESS ISSUE BECOME A REALITY. THANK YOU.
